## RETURNING TO PLAY

As our community continues to recover from the COVID-19 pandemic, our programming will be run in accordance with the guidelines issued by the State of New York. In light of the circumstances imposed on us by COVID-19, our events will operate slightly differently.

In this document, we will outline the measures we are taking to create as safe an environment as possible for anyone attending an event during these unprecedented times. Please read this document thoroughly.

## **Water**

Water will not be placed on fields, players should bring water bottles with them for the duration of the event and should not share with any other individual.

## **Temperature Checks/Screening**

Players and spectators are expected to take their temperature before leaving their house and they should remain home with any reading of 100.4 Fahrenheit or higher according to the CDC parameters.

## **Small Groups**

We will keep players in smaller groups and limit exposure to other groups as much as possible.

## **Personal Protective Equipment (PPE)**

All coaches, staff, players and spectators should wear PPE such as face masks and gloves whenever applicable.

## **Drop-off / Pick-up**

Players should remain in their cars until just prior to the start of the session to avoid gathering in large groups. Drop off and pick-up times may be staggered such that the number of attendees arriving and leaving at the same time will be minimized. At the conclusion of programming, please proceed directly to your car and do not congregate around the entrances or exits.

## **Spectators**

We ask kindly that you limit the number of spectators who will be attending the event. Each player should be accompanied by no more than 1 person to help limit the size of crowds and to mitigate the risks.

## **Restrooms**

It is recommended that rest rooms should have a limited occupancy of one person at a time.
